## Cheers to the New Year!

### A Message From our Family to Yours

Greetings to all! Our Terrace Foundation family is hoping each of you enjoys a prosperous New Year in 2022. Equally, I am hoping that everyone becomes more proactive with the double standards being practiced when it comes to regulating the DELIBERATE destruction of our farmlands by all those in charge. We need to give to those nonprofits and organizations that understand the importance of "TAKING CONTROL OF OUR OWN FOOD SUPPLIES LOCALLY". We are grateful for your continued support, and thank you for helping us make a difference to the Santa Barbara Community.

**-John W. Jeffries**

Founder of The Terrace Foundation

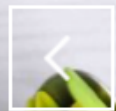

We are happy to announce...

# Our New and Improved Website!

Menu

**Our Mission**  
Empowering and educating communities to take control of their food supply, by providing nutritional equity and sustainability through eco-friendly agricultural solutions.

# Our Featured Pages

---

## CSA Programs Page

The Community Supported Agriculture Programs (or CSAs) allow community members, restaurants, and organizations the opportunity to support the Terrace Foundation's mission by offering healthy, locally-grown produce through memberships in a variety of CSA options.

## Shop Page

The shop page features a variety of seedlings, and micro-greens. We are selling individual towers and everything you need for your tower farm. We also are an authorized tower farm dealer (a tower farm is 10 or more towers). You can pick them up directly from our location.

## Microgreens Page

On this page, there are descriptions of each of our microgreens we produce and their health benefits. You can download the information sheets.

## Donation Page

Consider donating today so we can continue educate children, fund our programs, and feed our low-income seniors and people with disabilities in Santa Barbara County.

# THE AMEN PROGRAM

Our “Affordable Meals Everyday Now” (AMEN) program provides one healthy, nutritious, freshly prepared hot meal daily to all residents living within Pilgrim Terrace Cooperative Homes. As of today, the program has been successful in not only feeding our residents but also changing the health trajectory of every resident and eliminating food insecurity within our community.

**A low-income, affordable senior meal program does not exist in the Eastside nor the Westside like AMEN,** so there is an opportunity for The Terrace Foundation to take the lead and implement our **AMEN Program.** The Terrace Foundation has identified independent-living, low-income seniors that can benefit from a meal distribution program such as the one we currently offer.

The Terrace Foundation will work in partnership with community organizations and nonprofits to carry out the mission and vision of the program. **The program will pay an agreed amount for each meal delivered to our partners.**

The AMEN food program will fulfill a long-standing vision of taking the current food program and expanding it throughout the greater Santa Barbara area.

It will affect change in areas of the city that need it the most while helping people live better, healthier, longer lives in which **food is medicine** and **fresh, healthy food is accessible and attainable.**

**Everyone has the right to have access to healthy wholesome nutritious food no matter what their financial standing or age.**
