Back at The Terrace Foundation!

**Take a look back on what's
happened this past month...**

Veggie Rescue

Every week, Veggie Rescue comes to the farm to pick up our living, fresh produce. Veggie Rescue donates the produce to schools and organizations that help those in need.

Pumpkin Season

We grew over 30 pumpkins this summer! The light orange pumpkins are called Howden pumpkins and are 3rd generation seed-saved. The dark orange pumpkins are a variety of French Heirloom pumpkin. They will be used in our kitchen and for creative activities for our residents.

CSA Program is Growing!

We are excited that our Community Supported Agriculture program is rapidly growing! Becoming a CSA member gives you access to purchasing a farm share of produce, seedlings, and four-course meals. One of the main benefits with the program is that it is 100% tax deductible.

A farm share is: a portion of a farm's output available for sale through a community supported agriculture system and received in batches regularly throughout the growing season.

[Click here to learn more about the program and how it can benefit you.](#)

A Farm share of Produce for \$30 dollars

Thank you Westerlay Orchids!

Westerlay Orchids donated over 120 bouquets of orchids to the residents of Pilgrim Terrace Cooperative Homes!
